

## Tumps change register

### v14.2 of the DoBIH (December 2014) to v15 (September 2015)

**Note:** this change register should include all Tumps. However, it is only concerned with data relevant to each hill's listing as a Tump, so, for example, changes in height leading to a Dewey becoming a Hewitt, or changes in drop leading to a subMarilyn becoming a Marilyn, are not covered here.

## Significant name changes

Not every name change is included here; there were typos that have been corrected, or instances where the Gaelic was subtly wrong. In such cases the sense of the name is still clear.
